In House Front End Wordpress Developer

Attorneys Online, Inc. - Austin, TX 78757

Attorneys Online, Inc. is looking for a full-time, in-house Front End WordPress Developer. We're seeking people who are passionate about making the web a better and more usable place. We are an upscale advertising agency and work must reflect the caliber of designer we are seeking. Entry level is okay if job history does not showcase talent but samples of work must be submitted with resume. We use WordPress MU as our platform. Ideal candidate has a creative mind, thinks outside of the norm, is willing to take chances and loves dogs. Skills required:

- Artistic and creative.
- Able to develop unique logos and website layouts.
- Proficient with WordPress; PHP and Photoshop Create tableless layouts using CSS, with graceful browser degradation
- Create semantic XHTML mark-up from scratch
- Be organized and able to meet tight deadlines
- Be familiar with SEO and accessibility practices, and be able to implement them on existing websites
- Knowledge of the coding of responsive websites
- Create a CSS stylesheet from scratch

Skills that set you apart from the others:

- Able to troubleshoot on your own
- Wield superior spelling and grammar
- Thorough, organized and meticulous with details.
- Type A personality is a plus
- Must follow directions and meet timelines.
- Documentation of work and communication skills are a priority.
- Knowledge of hosting and IT is a plus.

NO TELECOMMUTING -MUST LIVE LOCALLY! NO RELOCATION OFFERED! Entry level considered if your resume is not reflective of your skills. Send cover letter, resume, salary requirements and portfolio (under 5MB; link is preferred), as well as a short description of yourself, via email.
